## JUNIOR GRADUATION

Students who have met all of the requirements for graduation are permitted to graduate at the end of their junior year if they have the written permission of their parent or guardian.

It is important to note that juniors who elect to take this option must complete all graduation requirements by the same deadline established for seniors. Students who choose not to participate in the ceremony may obtain their diploma after the date of the ceremony.

Sincerely,

Dr. Steve Stuart, Principal

Please complete the information below, sign, and have the entire letter returned to your child's counselor.
