Home Language Survey

The state of Illinois requires District 7 to collect a **Home Language Survey** for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps identify District 7 students that need to be assessed for English language proficiency.

Please answer the questions below and return survey to your child's school.

Student's Name _____ Age _____

School _____ Grade _____

1. Is there a language other than English spoken in your home?

Yes No

If yes, what language? _____

2. Does your child speak a language other than English? (This does not include language learned in a classroom setting.)

Yes No

If yes, what language? _____

If the answer to either question is yes, Illinois law requires District 7 to assess your child's English language proficiency. The state of Illinois utilizes the ACCESS test that measures students' social and instructional English as well as the language associated with language arts, math, science, and social studies within the school context across the four language domains which include reading, writing, listening, and speaking.

Immigration Education Report Data
