

SUBJECT: 2019-2020 Registration

Dear Parents:

Welcome to the 2019-2020 school year! It is both an honor and a privilege to serve as District 7's Superintendent of Schools. I wanted to remind you of important information regarding registration for the 2019-2020 school year.

Teacher assignments for elementary students and bus information for ALL students will be available ONLY in TigerView, District 7's web-based parent access system.

TigerView access is suspended over the summer, but it will be reactivated on Wednesday, August 7. Your child's bus and teacher information will be available in TigerView at that time. During registration, please let your child's school know if you are unable to access TigerView for this information, and a letter will be mailed to you with your child's teacher and bus information.

There are fillable forms available on the District website under Registration that parents may print and bring to their child's school on Registration Day (See schedule below). **However, returning** families do **not** need to fill out the *Student Information Sheet*; these forms are available pre-populated with returning student information on Registration Day. Parents of returning students will also be able to pay instructional materials fees and activity fees online using the *My School Bucks* program that parents currently use to deposit funds for their child's breakfast and lunch fees.
