District 7, a member of the MISSVIC Health Insurance Cooperative, will again offer Voluntary Vision Insurance Coverage through EyeMed for the 2020-2021 plan year. This Voluntary Vision insurance is available to full-time employees and part-time employees scheduled to work over 10 hours per week.

The EyeMed Voluntary Vision plan is a stand-alone plan and does not coordinate benefits with District 7’s United HealthCare insurance plan. When visiting an eye care professional for a routine vision exam, you should present the EyeMed card and/or your United Healthcare card to determine which coverage is more beneficial to you for your vision exam.

Employee-paid monthly premiums for the 2020-2021 plan year remain the same for the EyeMed Voluntary Vision Insurance plan -

Single (employee only coverage) $  5.90  
Family (employee, spouse & dependents) $12.69

Please refer to the benefit summary for detailed information about your vision plan offerings.

Open Enrollment Information
The District will conduct vision insurance open enrollment for qualified employees in the EyeMed Voluntary Vision Plan on the following dates:

The open enrollment is being held for eligible employees if you would like to:
  2. Change enrollment to a different plan;
  3. Add family (spouse and/or dependent) coverage to the vision plan, or
  4. Terminate single or family coverage from the vision plan.

If you wish to enroll, please go to the District’s website at http://ecusd7.org/departments/business-operations/ (under Departments, then Business Operations, Vision) and print out the EyeMed Vision enrollment form.

Please complete the form and send the completed form to Susi Miller at Hadley House by the end of the day on Friday MAY 29, 2020. This is the only time you may enroll for the Voluntary Vision Insurance plan without a special qualifying event. Enrollment in the Plan will become effective July 1, 2020.
