

## UPDATE

### District 7 Summer Placement Screening Dates

Although District 7 had to cancel our June summer placement screenings, we will now begin scheduling for July 30 and 31 and August 5. Screenings will be conducted at Lincoln Middle School, located at 145 West Street in Edwardsville. Students need only to attend one date.

***Please note we have made a few changes to our screenings for the Summer of 2020.***

The following categories of students should schedule a placement screening appointment:

- Incoming 1<sup>st</sup> – 5<sup>th</sup> grade students **new to District 7** who are coming from non-traditional school settings such as: international schools, home-school programs, and/or schools with standards-based reporting without grade level designations
- All incoming 6<sup>th</sup> – 8<sup>th</sup> grade students **new to District 7** (this includes parochial students and students moving in from other school districts)
- Any incoming 9<sup>th</sup> grade student who would like to be considered for a Geometry/Honors Geometry course as a freshman

All other students new to District 7 will be placed in classrooms/courses based on records from their previous schools. Placement testing for these students is not necessary.

In order to maintain proper social distancing measures, we will be limiting the number of students able to test on each date.

Screening appointments can be made by contacting Barb Johnson, District 7 Curriculum & Instruction Department, at (618) 655-6021.
