Courses Offered

CIVICS 0.5 Credit
Grades: 9, 10
Civics is a one-semester required course designed to prepare students to be active participants in the democratic process. The government of the United States is compared to other forms of government. Students are required to pass tests on the US and Illinois Constitutions to meet graduation requirements. Both are given as part of this course.

WORLD GEOGRAPHY 0.5 Credit
Grades: 9, 10
In this course, the five themes of geography (location, place, human/environment interaction, movement, and regions) are applied to regions around the world and across all continents. Emphasis is on physical and human geography, and incorporates current issues and events. Through this course students will also have a better understanding of the increased globalization of the world. This course fulfills a graduation requirement.

CLASSROOM DRIVER EDUCATION 0.25 Credit
Grade: 10
If you have finished your freshman year, have successfully passed the equivalent of four year-long courses, and will be age fifteen by July 17, you are eligible to take this class. A graduation requirement, Classroom Driver Education prepares the student to drive safely and skillfully operate a motor vehicle. A student must, according to state law, be in attendance a minimum of 30 classroom hours and maintain a passing grade to complete the requirement. Registration is on a first-come, first-served basis.

HEALTH 0.5 Credit
Grade: 10
Health is a course required of all students at the sophomore level. The focus of this class is to provide information on health issues that would enable students to make healthy decisions based on their total well-being. A variety of topics will be covered, including: CPR, responsible decision-making, weight management, mental and emotional wellbeing, stress management, substance abuse, violence prevention, sexuality, AIDS and other STD’s, and disease prevention.

SEMESTER PE 0.5 Credit
Grade: 10
Physical Education at EHS is designed to enhance the student’s overall fitness and appreciation of physical activity. The focus of physical education classes is on cardiovascular endurance, increased strength and improved flexibility as well as a development of skills in a wide range of activities. Classes will teach entry-level skills as well as lifetime fitness principles in a fun-filled, non-threatening environment. All students are expected to participate in class unless excused by a doctor. Grades are based on attendance, participation, skill, and written tests.
US HISTORY A (1st semester) and B (2nd semester)  
Grade: 11
