

District 7 Schedules Summer Placement Screening Dates

District 7 will again offer summer placement screenings for select students on June 3, 9, July 27, 30 and August 3 2021. Students need only to attend one date. Screenings will be held at Lincoln Middle School, 145 West Street, Edwardsville. Testing will begin at 8 a.m. Students will be able to contact a parent when testing is complete.

The following students should schedule a placement screening appointment:

- Incoming 1st – 5th grade students new to District 7 who are coming from non-traditional school settings such as: International schools, home-school situations and/or standards-based reporting without grade level designations. **Elementary students coming from parochial schools within District 7 boundaries do not need to attend.**
- All Incoming 6th – 8th grade students new to District 7
- Incoming 9th grade students who would like to be considered for a Geometry/Honors Geometry course as a freshman student.

All other students new to District 7 will be placed in classrooms/courses based on records from the student's previous school. Placement testing for these students is not necessary.

Screening appointments can be made by contacting Barb Johnson, District 7 Curriculum & Instruction Department, at (618) 655-6021.
