Our goal this year is to provide a safe learning environment for students and staff in District #7, and sustain an in-person learning environment five days a week throughout the school year. To provide our parents, teachers, and community members the latest COVID data related to District #7, we are reporting the number of students and staff isolated or excluded due to COVID-19 for the week beginning with Tuesday, August 10 through Monday, August 16, 2021. This information will be updated each Tuesday with the data from the previous 7-day cycle.
